

Iron Bridge Christchurch has Moved!

by Lisa East

After enjoying fifteen years in Riccarton, Iron Bridge's Christchurch team is excited to announce its move to new premises in Addington.

Located just three minutes away from the previous office, the new building has plenty of space to accommodate Iron Bridge's growing Christchurch operation.

“We needed more office space for our fantastic team. We really wanted a place the team could enjoy and grow in, while remaining centrally located for our customers,” says Brent Smith, Director, Iron Bridge Property Group.

Located at **119 Wrights Road, Addington**, the new office is not only modern and spacious, but light and airy as well.

“If you are ever in the area, please pop in for a coffee - we look forward to seeing you and showing you around,” says Brent.
